13                   PROJECTS —

14                             “(i) IN GENERAL.—The Secretary of  
15                             the Interior may authorize structures and  
16                             facilities for wildlife water development  
17                             projects (including guzzlers) in the Desert  
18                             National Wildlife Refuge if the structures  
19                             and facilities—

20                             “(I) will enhance the purposes of  
21                             the Desert National Wildlife Refuge  
22                             by promoting healthy, viable, and  
23                             more naturally distributed wildlife  
24                             populations; and

1                         “(II) are consistent with the laws  
2                         (including regulations) generally ap-  
3                         plicable to the management of the  
4                         Desert National Wildlife Refuge and  
5                         the National Wildlife Refuge System.

6                         “(ii) ACCESS.—The Secretary of the  
7                         Interior, in consultation with the Secretary  
8                         of the Air Force and the State of Nevada,  
9                         shall provide for access to allow for nec-  
10                         essary maintenance and monitoring of the  
11                         structures and facilities authorized under  
12                         clause (i).”.

13                         (h) UNITED STATES FISH AND WILDLIFE SERVICE  
14                         AND DEPARTMENT OF THE AIR FORCE COORDINATION.—  
15     Section 3011(b)(5) of the Military Lands Withdrawal Act  
16     of 1999 (Public Law 106–65; 113 Stat. 887) (as amended  
17     by subsection (g)) is amended by adding at the end the  
18     following:

19                         “(H) INTERAGENCY COMMITTEE.—The  
20                         Secretary of the Interior and the Secretary of  
21                         the Air Force shall jointly establish an inter-  
22                         agency committee to facilitate coordination and  
23                         minimize potential conflict between the Depart-  
24                         ment of the Interior and the Department of the

1           Air Force with respect to joint operating areas  
2           within the Desert National Wildlife Refuge.”.

3        (i) INTERGOVERNMENTAL EXECUTIVE COM-  
4 MITTEE.—Section 3011(b)(5) of the Military Lands With-  
5 drawal Act of 1999 (Public Law 106–65; 113 Stat. 887)  
6 (as amended by subsection (h)) is amended by adding at  
7 the end the following:

8                  “(I) INTERGOVERNMENTAL EXECUTIVE  
9 COMMITTEE.—

10                 “(i) ESTABLISHMENT.—The Secretary  
11 of the Interior and the Secretary of the Air  
12 Force shall jointly establish, by memo-  
13 randum of understanding, an intergovern-  
14 mental executive committee (referred to in  
15 this subparagraph as the ‘executive com-  
16 mittee’) in accordance with this subpara-  
17 graph.

18                 “(ii) PURPOSE.—The executive com-  
19 mittee shall be established for the purpose  
20 of exchanging views, information, and ad-

16                         ity of the portions of the joint use  
17                         area of the Desert National Wildlife  
18                         Refuge where the Secretary of the In-  
19                         terior exercises primary jurisdiction;  
20                         and

21                         “(V) such additional members as  
22                         may be designated at the discretion of  
23                         the Secretary of the Interior and the  
24                         Secretary of the Air Force.

1                 “(iv) OPERATION.—The executive  
2 committee shall operate in accordance with  
3 the terms set forth in the memorandum of  
4 understanding under clause (i), which shall  
5 specify the officials or other individuals to  
6 be invited to participate in the executive  
7 committee.

8                 “(v) PROCEDURES.—Subject to  
9 clauses (vi) and (vii), the memorandum of  
10 understanding under clause (i) shall estab-  
11 lish procedures for—

12                 “(I) creating a forum for car-  
13 rying out the purpose described in  
14 clause (ii);

2                     the Chairperson of the executive  
3                     committee; and

4                     “(bb) 1 member to serve as  
5                     the Vice Chairperson of the exec-  
6                     utive committee.

7                     “(II) DUTIES.—The duties of  
8                     each of the Chairperson and the Vice  
9                     Chairperson shall be included in the  
10                   memorandum of understanding under  
11                   clause (i).

12                   “(vii) MEETINGS.—

13                   “(I) FREQUENCY.—The executive  
14                   committee shall meet not less fre-  
15                   quently than 3 times every calendar  
16                   year.

17                   “(II) MEETING LOCATIONS.—Lo-  
18                   cations of meetings of the executive  
19                   committee shall rotate to facilitate  
20                   ease of access for all executive com-  
21                   mittee members.

22                   “(III) PUBLIC ACCESSIBILITY.—  
23                   Meetings of the executive committee  
24                   shall—

1                         “(aa) be open to the public;  
2                         and  
3                         “(bb) provide a forum for  
4                         the public to provide comment re-  
5                         garding management of the Ne-  
6                         vada Test and Training Range  
7                         and the Desert National Wildlife  
8                         Refuge.

9                         “(viii) CONDITIONS AND TERMS OF  
10                         APPOINTMENT.—

11                         “(I) IN GENERAL.—Each mem-  
12                         ber of the executive committee shall  
13                         serve voluntarily and without com-  
14                         pensation.

15                         “(II) TERM OF APPOINTMENT.—

16                         “(aa) IN GENERAL.—Each  
17                         member of the executive com-  
18                         mittee shall be appointed for a  
19                         term of 4 years.

20                         “(bb) ORIGINAL MEM-  
21                         BERS.—Notwithstanding item  
22                         (aa), the Secretary of the Interior  
23                         and the Secretary of the Air  
24                         Force shall select—

1                         “(AA) ½ of the origi-  
2                         nal members of the executive  
3                         committee to serve for a

6                         nal members of the executive  
7                         committee to serve for a  
8                         term of 2 years.

9                         “(III) REAPPOINTMENT AND RE-  
10                         PLACEMENT.—The Secretary of the  
11                         Interior and the Secretary of the Air  
12                         Force may reappoint or replace a  
13                         member of the executive committee  
14                         if—

15                         “(aa) the term of the mem-  
16                         ber has expired;

17                         “(bb) the member has re-  
18                         signed; or

19                         “(cc) the position held by  
20                         the member has changed to the  
21                         extent that the ability of the  
22                         member to represent the group  
23                         or entity that the member rep-  
24                         resents has been significantly af-  
25                         fected.

1                     “(ix) LIAISONS.—The Secretary of the  
2                     Air Force and the Secretary of the Interior  
3                     shall each appoint appropriate operational  
4                     and land management personnel of the De-  
5                     partment of the Air Force and the Depart-  
6                     ment of the Interior, respectively, to serve  
7                     as liaisons to the executive committee.”.

8                 (j) ACCESS TO THE REFUGE.—Section 3011(b)(5) of  
9             the Military Lands Withdrawal Act of 1999 (Public Law  
10            106–65; 113 Stat. 887) (as amended by subsection (i))  
11            is amended by adding at the end the following:

12                 “(J) ACCESS TO THE REFUGE.—  
13                 “(i) PUBLIC ACCESS.—The Secretary  
14             of the Interior shall facilitate timely public  
15             access in portions of the joint use area of  
16             the Desert National Wildlife Refuge that  
17             are not closed in accordance with subpara-  
18             graph (C)(i) for military purposes for Trib-  
19             al, recreational (including hunting), edu-  
20             cational, and research purposes, in accord-  
21             ance with the laws (including regulations)  
22             generally applicable to the Desert National  
23             Wildlife Refuge and the National Wildlife  
24             Refuge System.

1                     “(ii) ACCESS FOR STATE OF NEVADA  
2                     AND INDIAN TRIBES.—The Secretary of  
3                     the Interior shall facilitate timely access,  
4                     as determined by the Secretary of the Inter-  
5                     ior, to the portions of the joint use area  
6                     of the Desert National Wildlife Refuge  
7                     where the Secretary of the Interior exer-  
8                     cises primary jurisdiction, subject to such  
9                     terms and conditions as to which the Sec-  
10                    retary of the Interior and Secretary of the  
11                    Air Force may mutually agree, to—

12                    “(I) representatives from the Ne-  
13                    vada Department of Wildlife to carry  
14                    out related management responsibil-  
15                    ties to care for wildlife and wildlife  
16                    habitat; and

17                    “(II) Indian tribes in the vicinity  
18                    of those portions of the joint use area  
19                    to carry out cultural and religious ac-  
20                    tivities.”.

21                    (k) TRIBAL RESOURCE SUPPORT.—Section  
22 3011(b)(5) of the Military Lands Withdrawal Act of 1999  
23 (Public Law 106–65; 113 Stat. 887) (as amended by sub-  
24 section (j)) is amended by adding at the end the following:

25                    “(K) TRIBAL RESOURCE SUPPORT.—

1                     “(i) IN GENERAL.—The Secretary of  
2                     the Air Force and the Secretary of the In-  
3                     terior shall jointly establish the position of  
4                     Tribal Resource Officer to provide consult-  
5                     ative services and recommendations to  
6                     mitigate impacts to historic and culturally  
7                     significant land to local Indian tribes in  
8                     carrying out applicable activities under this  
9                     paragraph.

10                   “(ii) APPOINTMENT.—The Secretary  
11                   of the Air Force and the Secretary of the  
12                   Interior shall appoint an individual to the  
13                   position established under clause (i) on the  
14                   recommendation of Indian tribes in the vi-  
15                   cinity of the portions of the joint use area  
16                   of the Desert National Wildlife Refuge  
17                   where the Secretary of the Interior exer-  
18                   cises primary jurisdiction.”.

19                   (l) BUFFER ZONE.—Section 3011(b)(5) of the Mili-  
20                   tary Lands Withdrawal Act of 1999 (Public Law 106–65;  
21                   113 Stat. 887) (as amended by subsection (k)) is amended

18 which shall be known as the “Hole-in-the-Rock  
19 Wilderness”.

20                   (2) MAPS AND LEGAL DESCRIPTIONS.—

21                   (A) IN GENERAL.—As soon as practicable  
22 after the date of enactment of this Act, the Sec-  
23 retary shall file a map and legal description of  
24 each wilderness area with—

1                             (i) the Committee on Energy and  
2                             Natural Resources of the Senate;

3                             (ii) the Committee on Environment  
4                             and Public Works of the Senate; and

5                             (iii) the Committee on Natural Re-  
6                             sources of the House of Representatives.

7                             (B) EFFECT.—Each map and legal de-  
8                             scription filed under subparagraph (A) shall  
9                             have the same force and effect as if included in  
10                            this Act, except that the Secretary may correct  
11                            clerical and typographical errors in the maps  
12                            and legal descriptions.

13                            (C) AVAILABILITY.—Each map and legal  
14                             description filed under subparagraph (A) shall  
15                             be on file and available for public inspection in  
16                             the appropriate office of the United States Fish  
17                             and Wildlife Service.

18                            (c) ADMINISTRATION.—Subject to valid existing  
19                            rights, the Secretary shall administer the wilderness areas  
20                            in accordance with the Wilderness Act (16 U.S.C. 1131  
21                            et seq.), except that—

22                             (1) any reference in that Act to the effective  
23                             date of that Act shall be considered to be a reference  
24                             to the date of enactment of this Act; and

1                             (2) any reference in that Act to the Secretary  
2                             of Agriculture shall be considered to be a reference  
3                             to the Secretary.

4                             (d) ADJACENT MANAGEMENT.—

5                             (1) IN GENERAL.—Congress does not intend for  
6                             the designation of the wilderness areas to create pro-  
7                             tective perimeters or buffer zones around the wil-  
8                             derness areas.

9                             (2) NON-WILDERNESS ACTIVITIES.—The fact  
10                             that non-wilderness activities or uses can be seen or  
11                             heard from areas within a wilderness area shall not  
12                             preclude the conduct of those activities or uses out-  
13                             side the boundary of the wilderness area.

14                             (e) MILITARY OVERFLIGHTS.—Nothing in this Act  
15                             restricts or precludes—

16                             (1) low-level overflights of military aircraft over  
17                             the wilderness areas, including military overflights  
18                             that can be seen or heard within the wilderness  
19                             areas;

20                             (2) flight testing and evaluation; or

21                             (3) the designation or creation of new units of  
22                             special use airspace, or the establishment of military  
23                             flight training routes, over the wilderness areas.

24                             (f) WILDLIFE WATER DEVELOPMENT PROJECTS.—

25                             The Secretary may authorize structures and facilities, in-

- 1 cluding existing structures and facilities, for wildlife water  
2 development projects (including guzzlers) in the wilderness  
3 areas if—  
4 (1) the structures and facilities will enhance  
5 wilderness values by promoting healthy, viable, and  
6 more naturally distributed wildlife populations;  
7 (2) the structures and facilities are consistent  
8 with the laws (including regulations) applicable to  
9 the management of the Refuge; and  
10 (3) the visual impacts of the structures and fa-  
11 cilities on the wilderness areas can reasonably be  
12 minimized.
